Elements

A captivating design catalogue inspired by the primal forces of nature – Fire, Water, Air, and Earth – and their raw beauty and immense power. The fluidity of water, the warmth of fire, the lightness of air, and the grounding solidity of earth transform into stunning carpet patterns that breathe life into any environment.

Un catalogo di disegni ispirato alle forze primordiali della natura: Fuoco, Acqua, Aria e Terra e alla loro bellezza grezza e immensa potenza. La fluidità dell'acqua, il calore del fuoco, la leggerezza dell'aria e la solidità della terra si trasformano in pattern per pavimentazioni tessili che donano vita in qualsiasi ambiente.
